Registration Gift

Longest Drive

Closest to Pin

50/50 & Mulligans

Pot of Gold

Raffle Prizes

Place Awards

Putting Contest

My Nana, Doreen Mirams died of breast cancer in 2006. I was 4 years old. I hate that this disease took her from me. She was a great, fun, happy and supportive grandmother. Nana was there when I started to play golf, she was there when at I played my first 9 holes of golf, and should be cheering me on in the tournaments I play today. I am determined to help fight the devastating disease of breast cancer.

After participating in many charity tournaments and with the help of Pocono Health Foundation, I decided to host the first Doreen Mirams Annual Memorial Golf Tournaments. My decision to donate to the Dale and Frances Hughes Cancer Center was an easy one because this is where my Nana received her care while fighting breast cancer.

We are expecting a great turn out for this event, and I would like to thank you in advance for your support, I am counting on you!. Together with everyone's support our community is strong. Strength is what people and families need when cancer becomes a devastating part of their lives.
